New York State Legislative Session Calendar January — June 2010

The New York State Legislative Session Calendar establishes a schedule for the 2010 Legislative Session and provides dates important to the legislative process. The Session Calendar is intended to afford Members flexibility in conducting legislative business in Albany and planning activities within their home districts. The Session Calendar will foster orderly and timely consideration of legislation. Unforeseen events may require modification of the Session Calendar.

Sheldon Silver
Speaker of
the Assembly
