Academy Chair Report – Macary

1. Reviewed the mission of the academy. All agreed that the mission of the academy should remain the same.
2. Reviewed the academy goals and action plan and developed the following action plan:
 - a. Identify members in the academy and send welcome letters along with our stated goals and objectives.
 - b. Identify and develop contacts at each College of Pharmacy. These individuals will be responsible for reporting with their own faculty.
ACTION: Mario to make contact with the PSSNY office to do both a. and b.
3. Discussed the possibility of academy members developing and providing one hour of CE per year or per convention. The CE would be provided pro bono as a courtesy of the academy. Possible topics included, “Dealing with the Difficult Clerkship Scenario”, “Time Management”, etc.
4. Discussed legislative/regulatory issues:
 - a. Investigate the three-year CE waiver law for recent graduates.
ACTION: Mario to have his Pharmacy Education student look into the laws of other states on this issue.

Next Meeting: During PSSNY Summer Convention

Meeting adjourned at 9:55 am.
