

## CCRx MTM 2010 – Patient Cases Released March 5<sup>th</sup>

Are you checking your MirixaPro<sup>SM</sup> platform pharmacy queue for patient care and revenue generating opportunities? **Initial CCRx MTM 2010 patient cases were released March 5<sup>th</sup>!**

### CCRx MTM Program Highlights

- **Deadline:** All cases must be completed within 30 days of case assignment. All cases not completed by their assigned deadline will be completed via another provider or letter
- **Payment:** You will receive approximately \$60/served case (geographically adjusted) and \$5/declined case
- **Delivery Method:** Face-to-face is your preferred patient care delivery method. If required by patient, telephone consultation is an option.

### Pharmacy Checklist

#### 1. Verify your pharmacy has at least one active user

#### 2. Visit [www.Mirixa.com](http://www.Mirixa.com) and login using your unique username and password

If you do not have a username and password, contact Mirixa Support at 866.218.6649 to request a User Authorization Form and follow the below steps:

1. Pharmacy owner or manager completes the User Authorization Form and faxes back to Mirixa Support
2. Mirixa Support provides your unique username and password

**Note:** Never use another person's user name and password, and never lend your user name and password to anyone else. Contact Mirixa support if anyone in your pharmacy needs a new username and password.

#### 3. Review and update your account profile with a current e-mail address

- a. Click **My Account** (top right hand corner of MirixaPro home page)
- b. Verify and/or update your information
- c. Save

**Note:** Active users with current e-mail addresses receive notifications of new cases, expiring cases, new program information, etc.

#### 4. View available training options

- a. Click 'Training and Support'
- b. Review Live Training Session Schedule and/or Video Tutorials
- c. Register for Live Training Session

#### 5. Check your queue to view and complete available opportunities!

**Need Assistance?** Log in to your MirixaPro<sup>SM</sup> platform account and click on 'Contact Support,' or call 866.218.6649, 8:30am - 5:30pm ET, Monday-Friday.
